ACTIONS

Borderlands

- 50% of the money raised at the Christmas Concert will be donated to the charity
- The Social Committee will be organising a quiz before Christmas with proceeds going to Borderlands
- There has been an amazing response to the appeal for winter coats; Susan is visiting the Project regularly at the moment (to help with the Maths) and she will deliver the coats

Faith in Action fund

- We distributed envelopes so that everyone has the option of bringing a donation when they come to the meetings – Sue will bank the money and Kate will keep a record so that it can be donated as the need arises

Friends at Christmas
